Commodore's Column

By Bruce Powell

A great holiday season has come to a close, with warm memories of the events of the season. The Clubhouse was beautifully decorated, and the Eggnog Party and the Piano Bar were fun events that put us all in the holiday spirit. The Santa's Brunch is great fun for kids and parents or grandparents, and the weather was

perfect. Many thanks to the volunteers who helped these events succeed.

A tip of the hat goes to my wife, Pascale, for having done a superlative job with the New Year's Eve party, "Midnight in Casablanca." For the first time in years, it was a sold-out event with 217 reservations. Everything went off without a hitch, and there were a lot of things going on!

As guests arrived, the foyer was transformed into a Moroccan street market, complete with a real live 1600 lb. camel to greet the guests! Boy, were a lot of members surprised! Kizzy is a specially trained camel from the Lyon Ranch in Sonoma, and when she's not wowing people at the Corinthian, she visits people in institutions to cheer them up - something she's very good at. Kizzy was definitely a hit with the members!

The Member's Bar and Dining were transformed into Rick's Casino with roulette, blackjack, and craps gaming, great hors d'oeuvres, Beluga caviar and Russian vodka. A jazz pianist played as Pascale sang *As time Goes By*. When it came time to "close" the casino at 9 p.m. and move everyone upstairs for din-

ner, a skit was performed by Bill Kramer (as Major Strasser), Robbie Cook (as Chief of Police Renault), Mark Leonard (as Rick), and Peter Mason (as the Croupier), recreating the scene in the film where the crowd sings "La Marseillaise" and Major Strasser orders Renault to close Rick's casino, whereupon Renault says, "I'm shocked, shocked, to see that there's gambling going on in here!". Peter was hilarious when, as the Croupier, he then handed Renault a pile of bills, saying meekly, "Your winnings, sir".

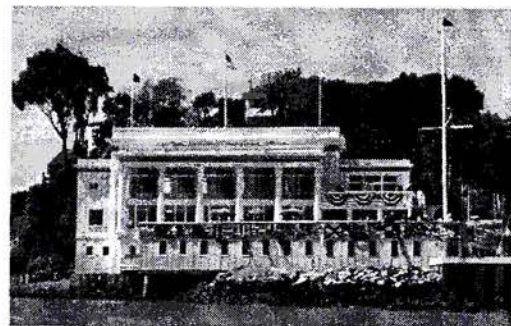

As members made their way to the Grand Ballroom, decked out in red flood lamps and 10 ft. tall palm trees, Moroccan music played and we were treated to the performance of an award-winning belly dancer, "Sabiba", followed by dinner and dancing until the wee hours to the big band sounds of the Silver Moon Big Band Orchestra.

Chef Ian and his crew deserve praise for the superb dinner that was served; I have heard nothing but good reviews on the quality of service and the excellence of the food. The event could not have been pulled off without the help of the volunteers, whom Pascale names in her Entertainment column.

I would like to cordially invite you to join us for the Commodore's Cruise. This year we'll be departing on the luxury cruise ship *Mercury*, leaving the port of San Francisco the evening of Sunday, April 10 for a 7-day non-stop party as the ship heads down the coast, with ports of call at Monterey, Los Angeles, Catalina Island, Ensenada, and San Diego, then returning to San Francisco. A great thing about this cruise will be how easy it will be to go: no airports, plane tickets, etc., just hop on a shuttle bus right out of the Corinthian's parking lot! More info about this cruise is available at www.cyc.org.

Something new coming up this year is a St. Patrick's Day party, on Thursday March 17. Our popular Thursday Night Bistro will open with a St. Patty's day theme and special green drinks and a special menu. So come wearing green and help make this a new club tradition!

I'm looking forward to an exciting year; as your Commodore I hope to make this Club as fun as it can be with new programs and new variations on old ones. I rely on the Club members to tell me their ideas and suggestions, so please call me to give me your perspective on ways to improve the Club. If you get them in early enough, your tips may translate into reality.

Entertainment

By Pascale Powell

Happy New Year to one and all! It is going to be another year filled with fun events at our club!

Our night in 'Casablanca' was soo much fun! Kizzy the camel was such a good girl; wasn't she adorable!? The *Silver Moon Big Band Orchestra* sounded great and the dance floor was

packed. Bravo to all of you guys (you know who you are) who went belly dancing with Sabiba, our professional belly dancer. Shahla Morid and her brother jumped in and did a dance for us, thank you Shahla! Congratulations to the winners for best costumes: Mary Ellen Wetlesen, Dale Weibel, Graciela Placak and Robbie Cook. Thank you, Kris Kuettel, for judging the costumes. Congratulations to the winners at the casino. I want to say a special thank you to everyone who helped for the New Year's Eve event: Shahla Morid for supplying all the rugs and fabrics, Sharon & John Warren, Eileen Kallaway, and Sharon Barr for assembling the centerpieces and decorating the ballroom, Dale Weibel for adding to the market stand and helping Bruce with decorations. Doug Owen & Marcia Peck were the photographers for the event. Thank you to Gunnar Wetlesen for loaning a VCR & setting up the movie *Casablanca* in the bar downstairs. Robbie Cook, Mark Leonard, Bill Kramer and Peter Mason were wonderful in the skit, and thank you to the men's chorus for singing *La Marseillaise*. A huge thank you to my dear husband Commodore Bruce Powell who promoted the event and designed the invitation. He also helped me a great deal with the decorations. Without forgetting every club employee, I thank you all for making our club a fun place to be on New Year's Eve. Stay tuned for more fun events coming up!

Mark your calendar for **Super Bowl Sunday Chili Cook-off** on Sunday, February 6. It will be just after Cooks & Waiters. Watch for details in the mail. It will be our second annual Chili Cookoff. Prizes will be awarded for the best chili. Last year, it was a huge success, the bar was packed and one could enjoy several wonderful chilis cooked by members. You can sign up on the bulletin board if you want to be one of the 10 cooks.

Then we go on with **Valentine's Dinner** on February 12th. We will enjoy *The Bill Canada Jazz Experience* for a romantic evening. Watch for details on the flyer coming soon.

In March, come meet your friends at the club and feast on delicious crab at the **Crab Feed** on March 6. On March 12, Bill Canada's band will again play for our pleasure. Another event in March will be **St. Patrick's Day**. Come enjoy a special menu on Thursday the 17, and wear your favorite green while appreciating a drink special!

On March 27 bring your children to the **Easter Brunch**, an event that is always well attended. Have your children's picture taken with the Easter Bunny, and there will be the traditional egg hunt. I will tell you about more fun events in future issues of the TELLTALE.

AT YOUR CLUB

By John Warren

"Happy New Year" to my fellow Corinthians. I'm very excited to be your Vice Commodore this year and we're already planning some great events for 2005. For those of you that missed the Casablanca New Year's gala, it was a great example of what's to come in 2005. Many thanks go out to Pascale and Bruce Powell for their creativity and flawless execution for a night that no one will forget...including Kizzi, the camel.

I'd like to introduce to you your new Entertainment Chairperson, Pascale Powell and our new House Committee, Mary Ann Bogue, Tari Nix, Sharon Barr, Anne Scully, David "The Doctor" Johnson, Ingo Schreiber, our club manager, Patrick Satterfield, our bar manager and yours truly.

Pascale is already working hard to make sure that we have fun events every month. Stay tuned...please read the TELLTALE for upcoming events or go to www.cyc.org, then mark your calendars.

Your new House Committee is excited and anxious to make things happen. You will be hearing from us via the TELLTALE and we want to hear from you. If you see any of us around the club and want to make a suggestion, please do so. If you're not at the club and want to make a suggestion, please contact me directly at (510) 418-3006 or at john@warren-peace.us and I'll take your suggestion to the House Committee. We welcome your input as club members and we are working for you.

If you haven't been to the club in a while...check it out! Here are some reasons....we have the best Midwinter Regatta on San Francisco Bay and draw sailors from all over Northern California, we have one of the most fun Friday Night Racing Series in San Francisco, we have cruises to fun destinations, we have the most beautiful and historic yacht club facility in the whole Bay Area thanks to Andre Klein and his staff, our view is spectacular...we're looking straight at the city that is the #1 tourist destination in the country...possibly the world, our dining room is gorgeous and Chef Ian prepares a fantastic menu, and our members make the club what it is.

I'm looking forward to seeing you at the club.

On the Water

By Michael Moradzadeh

2005 will include our customary race schedule... Horsefall-Vincent, Friday Nights, E.Ross Wood. We'll be hoping to field a team in the Lipton Cup Series August 13-14. We've got some good avid racers in this club, and it's good to show 'em off!

We're reviving the Race Promotion Committee as called for by the By-laws. Michael Campbell has agreed to serve as chair. The committee will be responsible for planning our race calendar, getting the races handled by PRO's and race committees, getting trophies and prizes, and, of course, publicity! An exciting role of the committee will be longer-range planning of our race program, perhaps adding more intra-club events or attracting more fleet racing.

In other racing news, we have a brace of Season Champions

who deserve a little celebration. Heck, buy them a drink at the bar! Stan Glaros in *Great Fun* championed the IOR Warhorse division, and Curtis Press in *Running With Scissors* bested the J24's. Good going, guys!

Cruise Captain Dan Carrico is busily arranging many things, particularly a set of cruises. Some old destinations and some new. At Commodore Powell's suggestion, we are even looking at adding a friendly race component to some of the cruises. ("Great," I can hear Stucky saying, "what do I win?")

MidWinter Report

Sometimes it all just comes together. Well before Midwinters commenced, a cadre of experienced volunteers put themselves forward, not only from CYC but from around the bay.

John and Sharon Warren, together with *Warren Peace*, kicked off the sign-ups. Tari Nix, Aaron and Christina de Zafra, Anne Scully, Cindy Marques and Fred ("as long as I get to shoot the gun") Mayo, and Karen Gilbert all cheerfully filled in with the goal of making the race "as smooth as silk." Volunteers, too, from Berkeley Yacht Club, SFYC, YRA, and RYC rounded out our heavily-staffed committee.

With 137 entries in our first weekend, we are on our way to beating last year's record of 144 entries. The 120 boats that actually showed up on the line looked like a lot more as we contemplated their courses and the flakey COLD winds we'd been having near the end of the week.

Saturday's Courses were short. We did not trust the wind, and we did not think folks would appreciate the cold. As it was, the winds held and our fleets romped around the course, some finishing their allotted rounds in less than an hour! Stanley Glaros' *Great Fun* led the IOR Warhorses, *Yucca* took her customary place at the head of the PHRF 2 division. Jan Borjesen nosed in with *Basic Instinct* just a few seconds behind arch-nemesis Q. *Chica*, under the control of Ted Goldbeck, led the almost all-CYC non-Spinnaker 4 division. Full results are on-line.

Saturday Afternoon saw our racers huddling in the bar and wishing for more sun and a longer race. This stopped nobody, however, from having a great time at the buffet and party, with the sounds of *Girl's Night Out*.

Wish Granted. Sunday morning broke clear and breezy. After a short-order breakfast and a strategy talk by GPSA's Rod Hagebols, our fleets were more than ready to take on a really challenging course. We gambled that the wind would hold and went for some stretch courses:

First two fleets on a course I had already nicknamed "Are we there yet?" But we sent them twice around! Next four fleets on a wide loop around Angel Island. The final fleets got a long, but fairly conventional Central Bay course.

The wind held, the sun held, and the spirits held! Finishers spaced out over several hours made for exciting times on the water and on the race deck. Our round-islanders came in first, as the largest fleets and smallest fleets straggled in afterwards. We think a good time was had by all.

When the math was done, *Basic Instinct* had squeezed out Q, *Smogen III* had gotten a bullet, *JR* had regained her pride with a deuce, and John Nooteboom had regained his place as leader of the pack on *Tension II*. All of our Corinthians, whether on the water, on the race deck, or holding up the bar, contributed to the sense of good spirit, sportsmanship, and camaraderie that make our races something special on the bay.

Speaking of special, thanks again to TCW for handling T-shirt sales! If you have not got yours with the striking "Shark-in-the-line" design on the back, it's not too late!

Invitation to StFYC Yachtsmen's Luncheons

Several Tuesdays each month, Saint Francis Yacht Club holds a luncheon and lecture on subjects of interest to us Yachtsmen. Recent speakers have included authors, Coasties, Maritime Academy instructors, world cruisers, and world-class (Olympic, Americas Cup) racers. These are now open to members of PICYA clubs, such as ours! We've been specifically invited to come enjoy these events in the StFYC grill room. Reservations are a good idea (but not necessary) via (415) 563-6363. Payment can be made at the StFYC front desk via MasterCard or Visa.

As we get upcoming schedules we'll make them available to club members. Also, StFYC now welcomes fellow PICYA sailors sailing in. Call ahead at 563-6363. So how about it, you weekday sailors? Sail in, eat, listen, sail home brimming with interesting new information.

Film Festival Comes to CYC

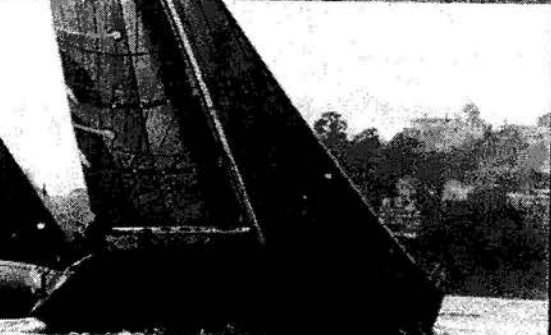

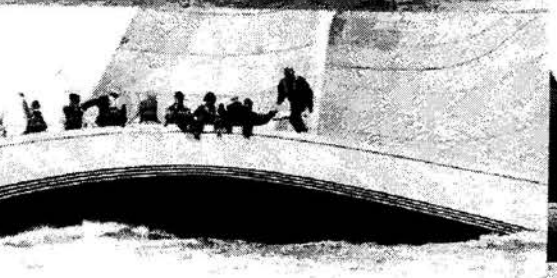

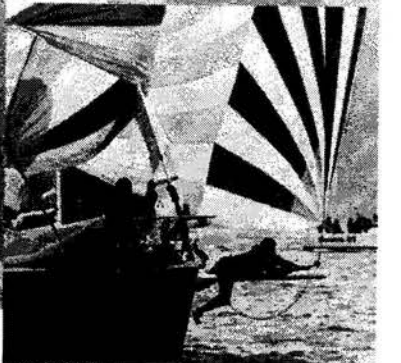

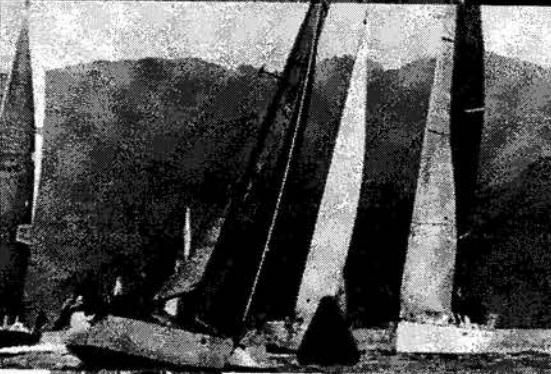

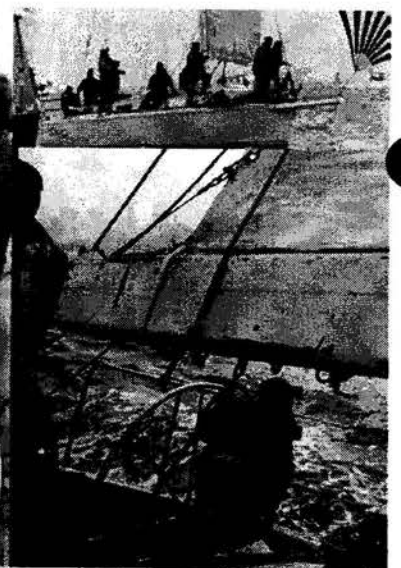

As of press-time the details are not entirely nailed down, but it appears that our Ballroom will become the fourth, and largest, venue for the Tiburon International Film Festival March 11-17. The festival is now in its fourth year and expects to show over 240 films from around the world.

Once we black out the windows and put in the fancy digital projection system on the stage, and set up the chairs, our ballroom will be a cinema theatre that would make Darryl Zanuck proud! Snack service is being formulated, but we will be sure to find a way to offer you a giant box of Junior Mints to go with your martini! (Yes, the bar will be open.)

The Festival is not a money-making function. We'll be soliciting tax-deductible contributions to offset the costs of running the festival at CYC! For members who enjoy something a little different in their films this can make for a nice week at the club. Heck, sail in and pretend you're at Sundance. More to come on this.

MIDWINTER REGATTA JAN. 15-16

Who Are Those Guys?

By Marcia Peck

John Warren, your new Vice Commodore, was born in Beaumont, Texas, in 1952. That accounts for that little Texas drawl you can still detect in his voice. When he graduated from high school, John said, "I'm out of here!" little knowing how prophetic that would be. He attended the University of Texas, where he graduated with a business degree in marketing. He

moved to Dallas, and started his business career with the 3M Company.

He moved on to AMP inc., a big electronics company, now a division of Tyco Corporation where he was responsible for many of the interconnections on the General Dynamics F-16 fighter jet and missiles for the military. John was promoted to the position of International Product Marketing manager in aerospace, for all of Europe, South America, and Asia. That was the start of a lot of traveling! John says, "The coolest thing was being this country bumpkin kid from Texas, who got to travel all over the world, and first class on the corporate expense account!" John says, "Travel truly is the best teacher. I learned so much about so many different cultures and people around the world."

This life was great for awhile, but he finally found he was getting burned out, and getting on just one more 747 would be too much. During some R&R in Hawaii, he met his wife, Sharon, and fell in love. After a long distance romance, they married, and moved from his corporate headquarters in Harrisburg, Pennsylvania to Sacramento. As John puts it, "Harrisburg wasn't the end of the world, but you could see it from there".

John and Sharon moved to the Bay Area, where John finished his business career in the medical industry with Tyco, retiring two years ago. Now, he has time to do the sailing and yacht club activities he loves. John learned to sail in college, and cut his teeth on a Sunfish and O'Day sailboat on Lake Travis in Texas. When he and Sharon moved to California, they bought a Catalina 27. They only had it for 90 days when they realized boating would become a major part of their lives and wanted a boat just a little larger. Their next boat was a Catalina 36, a much better fit. They raced her on the bay and even did the South Tower and Delta Ditch races. Then they started thinking about cruising. They found their beautiful Passport 47, *Warren Peace*, in Marina Del Rey and brought her home to the Bay. They have sailed to San Diego and Catalina many times, done two Baja Haha's, and sailed to their vacation home in San Carlos, Mexico, on the Sea of Cortez. John

has also sailed in Passport Regattas and been part of the Pacific Cup Team to Hawaii in 2002 and 2004 on *Cayenne*, Michael Moradzadeh's Passport 40.

Joining the Corinthian Yacht Club in 1997, John has been a consistent volunteer. As he puts it, "I really love working at the club and being involved. My most rewarding involvement was with the Easter Seals Day on the Bay. I plan to continue my relationship with the club, and then Sharon and I would like to do more cruising, hopefully back to Mexico, through the canal to the Caribbean, and then on to the Med. Life is good."

Meet the New "Kids" on the Dock

By Maryellen Wetlesen

In keeping with the Corinthian spirit of friendliness and making new members feel welcome, let's get to know some more of the new kids on the dock by asking a few questions. First up were **Jamie Staude and Danielle Bartoni**.

What would you like your fellow Corinthian Yacht Club members to know about you? Jamie and I have lived in Tiburon about two years, and have always wondered what all the laughter and commotion was about at the end of Main Street--and now we know! We are so happy and honored to be a part of the fun and camaraderie down at the CYC!

We are also extremely lucky that all the pieces have fallen into place--Jamie crewing in the summer while in the meantime, getting engaged which also led to booking our wedding reception at the at the Club!

Use three adjectives to describe your interest in boating and explain your boating background?

Jamie: Fired-up, ready, and a superb grinder! Crewed all summer long and ready to do it again this spring.

Danielle: Curious, excited, and anxious to learn more about sailing.

Why did you choose the Corinthian? Actually, the Corinthian chose us—it was the friendly, sincere, fun-loving nature of the CYC members that opened the door to our sailing adventures and joining the Club!

Would you like to sail, race, or cruise with other CYC members? Of course, sign us up!

Now for Robert Massey

What would you like your fellow Corinthian Yacht Club members to know about you? Single male with job and boat.

Celebrate Your Birthday...On The Club!

by Anne Scully

You say it's your birthday? Come celebrate it on a Saturday or Sunday during your birthday month with a dinner on CYC!

We're not counting candles here! CYC is sending all members a "birthday card" that can be exchanged for one free dinner for the person celebrating the birthday. Please contact Frances if you have not yet received a card or if you received a card reflecting the wrong birthday month so that we can have your correct birthday info. But, we promise we won't spill the beans and tell anyone how young you really are. Honest!

CYC's birthday dinner offer is valid on Saturday or Sunday during the birthday celebrant's month. Please be sure to make a reservation as well.

So, bring your spouse or guest or a group of friends to celebrate your day. It's our way of saying thanks for your membership as well as an opportunity to put our club to more use.

Finding The Balance Between "Family Friendly" and "Adult Oriented"

The House Committee strongly believes the Cub should be a "family & kid" friendly place. Indeed, "family" is a key component to our CYC membership promotion as well as to what helps create the breadth and diversity of our CYC culture. At the same time, however, we must also ensure that the presence of children neither undermines the Club's adult-oriented environment nor exposes our facility to undue risks of liability.

We cannot resolve these challenges and achieve the "family friendly" goal without the active support of Club Members—both with and without children! The Club should be a place where everyone can relax and have fun. Here's how Members with children can help us to jump-start our efforts toward implementing a more favorable and "kid friendly" environment:

- If your children are under the age of 10: Please keep them within your eyesight and active supervision at all times at the Club, particularly in the Bar and during times of heavy club use (i.e., Friday).

- Please refrain from having your children actually sit at the Club bar—it's a violation of the California ABC regulations and the terms of the Club's ABC license.

- Bring books or activity materials for your children. One very clever Member has procured a portable DVD player and disks that are "just for watching at the club!" Now the kids clamor to come to the club!

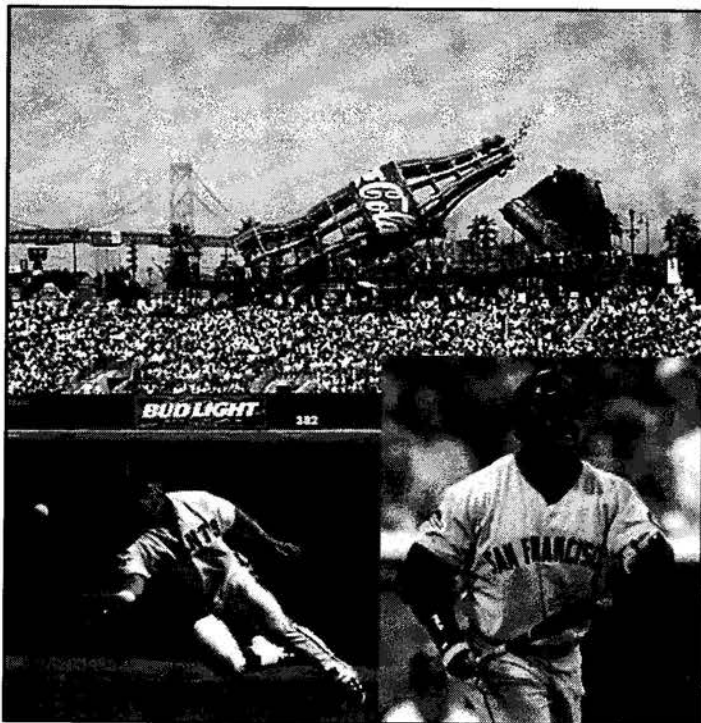

If you have any feedback, please contact Vice Commodore John Warren at john@warren-peace.us.

Attention All Giants Fans!

by Kathleen Barr

The Corinthian's second annual cruise to South Beach Harbor and to the San Francisco Giants' game has been booked for April 9th. Due to demand and space restrictions we are asking for early commitments.

Please contact Frances at the Club office to purchase your seat(s) for the game (\$38.25 per person) and to reserve a space on the guest dock at South Beach Harbor. For questions contact Kathleen Barr by phone at (707) 621-0997, or by email at jack-barr@pacific.net.

Santa's Brunch

MIDNIGHT IN CASABLANCA - DECEMBER 31, 2004

ing back-ground?

From my perspective, sailing is all about quality time with friends, working together as a team, out on the water. Whether your time is spent

cruising, racing, or even on maintenance, it is a great way to decompress from the pressures of work and get to know people. I am relatively new to sailing, but find myself wanting to spend more and more time out on the water. Even when the weather gets rough, it is great how the challenge and focus on survival puts the rest of life into perspective when you get home.

Why did you choose the Corinthian? I have been a member of another club for a couple years. Last January, I crewed on a boat in the mid-winter series and had a blast. I was very impressed by the friendly nature of everyone back at the Club and the consistent interest in boating. I felt very welcome and wanted to become part of the Club. Also, the parties are great. It would be great to race and Cruise with other CYC members.

In the next issue we'll find out more about recent members James Greene of Carmel (December 2004 -Regular) and James & Lynne Smith of Belvedere (January 2005 -Regular).

119th Annual Cooks & Waiters' Dinner

By Dan Carrico

That's right, mates! Its all hands on deck for our 119th Annual Cooks and Waiters' Dinner! It will be held Saturday, February 5th 2005. Come celebrate and participate in one of the oldest of Corinthian traditions! The event is open to all Corinthian men and their adult male guests. We will have the usual pomp and circumstance plus

high jinx during the dinner and evenings' program.

Plan to come early in the day for card games and just hanging out with buddies, or making new ones. Boats are welcome too (actually a good idea)! Please check with me through the club office for availability and assignments in advance. Don't want to give too much away, but the boys on the entertainment committee are workin' hard to make sure you will have a really fun time this year!

The freight this year is \$67 per man and includes lunch, dinner, all libations and entertainment. Reservations are requested, please reserve with the CYC office.

If this will be your first, ask around the guys as to what to expect. If you do not have a job yet, let the office know you're interested. Whether you are already a "member" of the Cooks and Waiters' Union Marine Local #23, or not yet inducted, it's all the same - the boys down here at the union hall will be looking for you and your annual dues contribution on the 5th - just so's you keep in good standing!

Staff Commodore Milt Stannard died peacefully at his Tiburon home on October 18, 2004. He was 93.

Milt joined the Club in 1962 and owned a 26 foot cabin cruiser, the *Minnie*, which resided in the harbor for many years. He served as Commodore for two years in 1968 and 1969. He and his family retained a strong affection for the Club through the 42 years of their membership and maintained a consistent presence at Club functions. In his last years Milt and his lovely wife Mignon were loath to miss a single Sunday brunch at the Club after attending services at the Westminster Presbyterian Church.

In 1962 Milt and his fellow San Francisco commuters persuaded the Red and White Fleet to start the Tiburon commuter ferry service. They started by chartering a powerboat to take them across the Bay.

Born in San Francisco in 1911, Milt moved with his family to Los Angeles when he was quite young. He graduated from Hollywood High School and the University of California at Berkeley. In 1936 he returned to Los Angeles to marry and start his family. His entire career was spent with Pacific Telephone Company. He was transferred to San Francisco in 1960 bought a house in The Reedlands and resided there ever since.

Milt was very active with civic organizations. He served on the board of the Alto-Richardson Fire District (now Southern Marin Fire District) for 14 years, five of them as chairman. He was very active with the Navy League and served with the Coast Guard Auxiliary, Army Reserve, and the Marin Power Squadron.

The Stannards have been members of the Westminster Presbyterian Church for 44 years. Milt served there as an elder.

Milt is survived by his wife of 68 years, Mignon, two sons, Bruce Stannard of Flora Lakes, Oregon, and Craig Stannard of Portland, Oregon, two granddaughters and four great grandchildren.

Memorial services were held at the Westminster Presbyterian Church on October 26, 2004 with a strong contingent of Staff Commodores in attendance.
